

FRACTURE GROUP LLC

Federal & Municipal Tactical Supply and Wholesale - Wilmington, NC

Service-Disabled Veteran-Owned Small Business — Certification In Process (SBA VetCert)

Capability Statement: Fracture Group LLC supplies tactical, protective, and load-bearing equipment to federal agencies, law enforcement, and defense-adjacent organizations, with parallel capability in sporting and recreational goods and apparel (NAICS 423910). Led by a U.S. Army veteran with hands-on operations and logistics leadership experience, the company runs a lean, owner-managed dropship model — sourcing from authorized distributors to fill orders from micro-purchases through competitive solicitations without carrying held inventory. Fracture Group is actively building toward higher-volume federal, state, and local procurement as certifications and distributor accounts come online.

CORE COMPETENCIES

- Tactical, protective, and load-bearing equipment supply — protective gear, pack-outs and carry systems, water and rescue equipment, personal protective equipment, packaging, and cargo gear
- Owner-managed dropship sourcing from authorized distributors — no held-inventory overhead, fast turnaround on in-stock lines
- Small-dollar and micro-purchase fulfillment for federal, DoD, and law enforcement buyers
- Positioned to scale from micro-purchase and informal-bid entry points into full SAM.gov solicitations, GSA Multiple Award Schedule opportunities, and DLA Troop Support DIBBS quoting as distributor relationships and past performance mature

DIFFERENTIATORS

- 100% Service-Disabled Veteran-Owned Small Business — owner-operated with direct, single-point accountability
- Principal is a U.S. Army infantry veteran and Unit Movement Officer (UMO), coordinating personnel, weapons, and equipment movement directly with the Defense Logistics Agency (DLA)
- 5 years of cross-border corporate logistics and operations experience spanning the United States, Mexico, and Canada
- Lean structure — no reseller layers, no subcontractor pass-through on core commodity lines

PAST PERFORMANCE

Fracture Group LLC is newly established, with no federal contract history under its own name to date. Its principal brings directly relevant experience: while working corporate Logistics, he coordinated all government contracts transporting heavy dredging machinery over water and land for a SAM.gov-registered U.S. Army Corps of Engineers contractors. As a U.S. Army Unit Movement Officer, he coordinated personnel, weapons, and equipment movement directly with the Defense Logistics Agency. He is personally engaged in every Fracture Group order from intake through delivery.
